**#10:30am - Research by Steve Eppinger (MIT)**

**#10:35am - Commercial tools by Tyson Browning (TCU)**

**#10:45am - 2021 DSM Conference by Fabiano Armellini (PolyMtl)**

**#10:50am - Q&A panel: Yutaka Nomaguchi, Koga Tsuyoshi, Mark Irving (Project DSM), Mike Stowe (thep5dc)**

This SDW is a precursor to an annual international DSM Conference, to be held in Montreal, Canada, this October 12-14, 2021. This is the 23rd annual conference, and is an opportunity to share and learn various perspectives of this topic.

This [tutorial](#) opportunity is a prerequisite to get informed about DSM and its applications. Take your time to go through it!
